"All" races in which Bugattis participated

By Nick Keukelinck

Nick did a tremendous job collecting "all" races (Bugattis participated in so many races, that it would be impossible not to miss a few...) in which Bugattis participated, in chronological order; starting in 1898, and the last race in 1956. When available, the race numbers are given, the positions, and the type of Bugatti and even chassis number. *Image: 1922 GP de Strasbourg, Bugatti T30 4001 abandon sur panne d'Ernest Friderich et mécanicien Xavier Rohfritsch à Innenheim*
